

VELO CLUB BARACCHI LIST OF CURRENT TROPHIES

General rules regarding the awarding of the various trophy groups: -

VCB Club Distance Championships

The VCB Club Championship Trophies are open to all categories of VCB member male, female, veteran and junior and will be awarded as follows: -

Trophies for 10, 15, 25, 30, and 50-mile time trials (except where stated otherwise) will be determined by the fastest time achieved at the designated Championship event. The relevant Championship events will be listed in VCB Events List prepared at the start of the racing season.

Trophies for 100, 12 hour and 24-hour time trials and Ladies' trophies are not event specific and will be awarded to the rider with the season's fastest time/furthest distance (for the Ladies' trophies this is an alteration/clarification to increase participation).

VCB Veterans' scratch 10, 25 and 50-mile Trophies

These will be awarded to the fastest veterans in the championship events.

All other distance trophies will be awarded on basis of the season's best times, or for Veteran trophies, the best "plus" of the season against veteran standard.

Notes!

- i) The Bernard Dale Memorial Trophy is also open to all riders residing in Lowestoft along with members of any of the Lowestoft Cycling Clubs.
- ii) The Keith Stephens Memorial Trophy is open to everyone; but as it is an unofficial event the advertising of the event is low key and the number of entrants is deliberately kept at a low level.
- iii) Road Race, MTB and Cyclo-cross Championships are decided on a points system.
- iv) Second claim members will qualify for any trophy for which there is no possible first claim winner. First claim members always have priority.
